NOTICE OF HEARING

DOCKET NO. 2019-239-E

Dominion Energy South Carolina, Incorporated's Request for Approval of an Expanded Portfolio of Demand Side Management Programs, and a Modified Demand Side Management Rate Rider

On June 28, 2019, Dominion Energy South Carolina, Inc. ("DESC" or the "Company") filed a request with the Public Service Commission of South Carolina ("Commission") for approval of an Expanded Portfolio of Demand Side Management programs and a Modified Demand Side Management Rate Rider. DESC requests that the Commission: (1) Approve its proposed suite of expanded and modified DSM programs for an extended five-year term; (2) Continue to authorize DESC to modify, expand, amend, terminate or add any measure or program to its suite of DSM programs going forward without the requirement to seek prior Commission approval to do so; (3) Reaffirm with modifications the DSM Rate Rider mechanism; (4) Approve the changes to program cost recovery and shared savings incentive as proposed in the Application, and (5) Otherwise reaffirm its approvals as set forth in prior orders, and the mechanism for the ongoing review, updating and approval of the terms of the Company's DSM programs and DSM Rate Rider, except to the extent that they are proposed to be modified or amended, as outlined in the Application. DESC currently estimates that the initial rate rider request to be effective May 1, 2020, could add approximately \$0.47 per month to the bill of an average residential customer using 1,000 kWh per month. However, DESC is not requesting at this time, that the Commission adjust/modify its customers bills through this filing. DESC seeks to have this docket heard on a schedule that allows the requested changes to go into effect as of December 1, 2019. The Application was filed pursuant to S.C. Code Ann. § 58-37-20 (2015, as amended) and Public Service Commission of South Carolina ("Commission") Regulation S.C. Code Ann. Regs. 103-819, 103-823 (2012), and in compliance with Commission Order No. 2010-472, as affirmed and modified by Order No. 2013-826.

If the Application or Petition in this case contains a request for adjustment of rates, the rates are subject to potential modification by the Commission during the course of this case.

PLEASE TAKE NOTICE that a hearing on the above matter, pursuant to S.C. Code Ann. Regs. 103-817, has been scheduled to begin **on Wednesday, November 13, 2019, at 10:00 a.m.**, before the Commission in the Commission's Hearing Room at 101 Executive Center Drive, Suite 100, Saluda Building, Columbia, South Carolina 29210.
